

LET'S FEEL THE FIBE

24. – 25. April 2024
CityCube Berlin

“ FIBE isn't just about business; it's about forging meaningful connections and building a vibrant global network. ”

FIBE ist the first **international fintech festival**: from Berlin to the world. In **two days**, fintech-enthusiasts and industry leaders from all regions meet in Europe's leading **hub of financial innovation** to celebrate, inspire, learn, and collaborate. Next to educating about the latest trends and challenges in fintech, FIBE connects **the old and new world** and creates a **borderless community of finance fans** by being a melting pot of diverse perspectives, cultures, and ideas.

- × Trend-setting **conference stage** with your finance heroes
- × **Industry playground** for the whole ecosystem of finance – we are **NO** ordinary exhibition!
- × Personal **meet & greets** and actual time for your questions
- × Guided and effective **networking concept**
